Dear Sir:

Responsive to the Office action dated May 9, 2005 in the patent application identified above, please enter the following amendments and reconsider that application in view of the appended remarks. Two pages of the cited *Goericke* reference, missing from the copy received from the PTO, are included with this response.

A Request for an Extension of Time and a Request for Continued Examination are submitted with this response.

**Amendments to the Claims** are reflected in the listing of claims that begins on page 2 of this paper.

**Remarks** begin on page 5 of this paper.
